Notes:

- (1) Categories of service were redefined by HCFA/CMS beginning in FY 1999.
- (2) This report is prepared annually in August/September.
- (3) VaMMIS system modifications have forced substantial counting method changes for FY 2004. The apparent increase in data variability is not thought to be significantly correlated to any actual shifts in expenditure, utilization, or enrollment levels that may have occurred since FY 2003.
